Another show season has come to a close. What will next year have in store?

PRESIDENTS MESSAGE

Maggie Meehan-Thompson

I don't know about you but, I really don't like winter! Everything is cold and nasty, and you have to wear so many layers just to go and do night check.

Blanketing of the horses must be managed; ice is always a huge nightmare and don't even get me started on water issues. All that aside, winter is also a great opportunity to explore new riding goals for ourselves and our horses. My daughter's school has a new motto "Try everything" and winter gives us an opportunity to do just that. So, I encourage you to celebrate your success this season and think about expanding your focus to a class that you haven't tried or on a new skill to work towards your new goals for the 2020 show season.

I feel so blessed that we have the support of such caring and dedicated people to run our shows! A BIG THANK YOU to my 2019 executive on their long hours of hard work to make sure the show season ran smoothly. Now that the leaves are falling and the horses are starting to put their hairy long underwear on, your executive is working hard on planning for 2020. Fundraising activities are in the planning stages right now. We have invited Melanie Grey back again for another clinic to help improve our skills and our communication with our horses. Melanie was an amazing clinician and gave even our most experienced exhibitors new information. We are also hoping to plan a Judge's Clinic which will allow you get valuable feedback from a qualified Pinto judge. If you have any other ideas for Pinto activities, I would love to hear your ideas. Feel free to email me at horsnaround@live.com Keep an eye out for the date of our annual FUN SHOW fundraiser. This is a great opportunity to come out with those young horses or riders and have fun in the sun with your friends. Remember the attire is "safety" casual and show tack is not required.
